Maybe even better than free.

No account or credit card is required to get started. Just upload the file you want to share with your friends and we send you a download link to your file. We have no file size limit. File is free to use with no gotchas and no hidden fees. Unfortunately, we can't make that part free. Files transferred the old-fashionedway tend to pile up and be forgotten about, eventually costing you money in data storage fees. Why pay storage fees for a file that you just wanted to send to afriend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Keep your files private, or send yourdownload links only to friends or family. You can upload any type of file (movies, music, documents, images, zip files and more). Simply upload your file andshare the link. You decide who you want to share your files with. Any file in any format can be uploaded and downloaded for free. The cost of that data transferis covered by your internet service or the data plan on your phone. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share afile, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. filehosting provides an easypossibility for you to send large files to your friends. You don't need any special software installed to be able to download your files. There are no restrictionson the number of times a file can be downloaded. Our service is completely free for everyone. When you use file, you avoid storing the file you're sending inyour cloud storage or mail server. Files can be downloaded from any computer from our high speed servers. If only we could, we surely would! On the otherhand, using file can actually save you money. You can give this download link to your friends by mail or instant messenger. So try our free and simplefilehosting service now. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Using file, you cancircumvent those limits without paying to upgrade your team chat service. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. It is also allowed to link to the download page from websites and communities.
