Maybe even better than free.

Files can be downloaded from any computer from our high speed servers. File is free to use with no gotchas and no hidden fees. Any file in any format can be uploaded and downloaded for free. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. filehosting provides an easy possibility for you to send large files to your friends. No account or credit card is required to get started. Using file, you can circumvent those limits without paying to upgrade your team chat service. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. We have no file size limit. When you use file, you avoid storing the file you're sending in yourcloud storage or mail server. You decide who you want to share your files with. So try our free and simple filehosting service now. Alternatively you canchoose to share your download links on blogs, forums and social networking sites. Files transferred the old-fashioned way tend to pile up and be forgottenabout, eventually costing you money in data storage fees. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data isbeing transferred between your computer or phone and our servers, then from our servers to your friends device. Keep your files private, or send your downloadlinks only to friends or family. You can upload any type of file (movies, music, documents, images, zip files and more). Our service is completely free foreveryone. The cost of that data transfer is covered by you a download link to your file. You don't need any special software installed to be able todownload your files. Unfortunately, we can't make that part free. There are no restrictions on the number of times a file can be downloaded. If only we could, we surely would! On the other hand, using file can actually save you money. You can give this download link to your friends by mail or instant messenger. It i
